Planning for MORE FUN - Summer and Fall shooting activities. Dale is already scheduling Cowboy Action for Tuesday nights at the outdoor range as well as the big Minnesota Muster event. Rod is talking about expanding the indoor

range program to have Fall as well as Winter shooting and leagues. Other members have ideas or desires... And so do you! Now's the time to put the wheels in motion... **See You There!**

Enjoy an Evening Out - The Corral Supper Club has great food, refreshments, desserts, etc. They give us a bargain for the meeting room. It's a pleasant atmosphere for our meeting and an excuse to go out for a nice dinner!

**Indoor Shooting League Results...
Alex Gun Club in the Tech School Range Proves Very Popular!**

At total of 24 members participated in the Bullseye shooting leagues and numerous others came for plinking and target practice. Shortly after the indoor shooting program was started we had to buy more range time to accommodate so many shooters!

We're very pleased and encouraged by the success of this indoor shooting program at the Alex Tech School Range. And, we want to thank you all for participating. It's really fun to see so much activity and enthusiasm for the shooting sports at Alex Gun Club!
